Digital Design, fourth edition is a modern update of the classic authoritative text on digital design. This book teaches the basic concepts of digital design in a clear, accessible manner. The book presents the basic tools for the design of digital circuits and provides procedures suitable for a variety of digital applications.

Where To Download Digital Design 4th Edition

Digital Design, 4th Edition - Pearson

The HDL examples were code with virtually no explanation. In my opinion, this is very useless considering it is an introductory book into the world of digital design and computer engineering. HDL is definitely not this book's strong point, but for the fundamental concepts of digital design, it's a great book.
