Her property has all the traits of a charming cottage garden, including a rose garden, white picket fence and long mixed borders. The style of her garden is quite romantic with flowers in blues, purples and pinks that spill over the borders. Kuchler grows double peonies, the color of raspberry-wine,...

English Gardens | Garden Design

A cottage garden's greatest appeal is that it seems to lack any conscious design. But even a cottage garden needs to be controlled. Some of the most successful cottage gardens start with a formal structure and soften the framework with the lavishness of cottage plants.
