Price range: The average bed-in-a-box memory foam in queen size retails in the neighborhood of \$155 to more than \$4,000. The Tuft & Needle T&H Mattress retails for just \$600. Typical firmness: Memory foam mattresses have varying degrees of firmness depending on the thickness and density of the materials used.

### How to Choose a Mattress: A Buyer's Guide - Best Mattress ...

Before you go any further, it's important to set your budget. Buying a mattress is like buying a vehicle. It's not like buying a gallon of milk. You're hopefully going to have it for eight to 10 years. This is not the time to be a penny pincher, although we're not suggesting you go into debt over a bed either. A good mattress can have a lot of positive effects on your physical and mental health.

### Mattress Buying Guide - Ratings & Reviews (Updated)

No matter who you are, mattress buying is an investment, but there's no reason to break your finances and gouge your savings to buy a new bed. There are fantastic sleep solutions out there that should match what you need, regardless of your budget, so sit down ahead of time and decide what money you are willing to spend before you begin looking.
