VT5 Manual - DocShare.tips

One solution for setting-up a desktop video studio is the VT5 by NewTek. The video on this page shows you a VT5 in action. It runs a bit under \$9,000, and that does not include the actual computer. The VT 5 includes a huge video card, a breakout box, various converters and accessories.

Remote Studio Video Production with the NewTek VT 5

The heart of NewTek's VT[5]- a truly evolved "studio in a box" that traces its lineage back to 1991 and the release of the original Video Toaster- is the VTPro card, a PCI card providing composite, standard definition YUV video input and output with four-channel audio.
