PocketMoney version 3.1.4 for iPhone - Keep more money in ...

About us The first PocketMoney was created by Hardy Macia in 1994 when it was released for the first Apple handheld: the Apple Newton, and since then, acclaimed by users and professional reviewers (MacWorld, MacUser and Pen Computing Magazine) worldwide, which appreciated the existence of a software which, at that time, was relegated to a desktop only experience.

About us | PocketMoney

Whether it's 20p or £10 a week, the lessons the children will learn are the same. Having said that, there are certain trends we've seen amongst our users, so this table showing the average pocket money per age should be a helpful guide. Average pocket money per week: 4 year olds - \$5.13; 5 year olds - \$5.46; 6 year olds - \$6.08

A Family Guide: Pocket Money Chores List | RoosterMoney

'Citizen of the household', the idea that as part of the household you need to do your chores regardless of monetary reward. The children may get pocket money on the side, but that's not tied to their chores, it's there so they can practice managing money and making decisions about spending, saving and giving.
